

Cleaning Up the Former Fort Ord

Please join Marina in Motion on Monday, January 23, 2012 from 6:30 p.m. to 8:00 p.m. in the Community Room of the Marina library located at 190 Seaside Circle, for an overview of the on-going efforts to restore the land and water for use by the public.

The federal government has already committed hundreds of millions of dollars of tax payer money towards these restoration efforts.

Where is your money going? (\$501,400,000 to date)

What has been accomplished?

What is left to do?

How long will it take?

Marina in Motion has been awarded a grant by the U.S. Environmental Protection Agency to supplement public out reach programs answering these vital questions as well as providing input to on-going efforts addressing public concerns and promoting awareness.

Meet our Technical Assistant whose job it is to review selected documents, provide comments, and summarize those documents for the general public in terms the average citizen might understand.

Updates will include:

Contacting the TA and incorporating your questions in his reviews.

What's new with water?

What are the on going trends and concerns?
