

p

Notes: Grids shown on the plan are abbreviated in the following form:
 MOC: MOC (Middle of Concern) - The grid shown is an emergency training grid, large grid, medium grid and small grid. For example, LC2-MOC-100 is an emergency training grid in the large grid, MOC is the middle grid and SF-04 is the small individual grid.
 Note: Topographic contour map: USGS Mosaic Quad, 1467.
 Note: Grids shown in MRS-13C are abbreviated.
 For example, 11F corresponds to 0E-12B-01H.

ABBREVIATIONS

ARTY - Artillery	MPC - Monterey Peninsula College
FA - Field Artillery	MTR - Motor
FF - Field Fortification	MRS - Munitions Response Site
E & D - Engineering and Demolitions 44	MRA - Munitions Response Area
ITT - Individual Tactical Training	RNG - Range
E & T - Emergency Vehicle Operations Center	SDA - Squad Defense Area
MWRP - Military Munitions Response Program	ST-1 - Livestock
MEC - Munitions and Explosives of Concern	ST-2 - Livestock
CBR - Chemical Biological and Radiological	TNG - Training

Munitions and Explosives of Concern (MEC)	Munition Debris (Expended Items)	Parker Flats reuse parcels
(M) Cap. blasting electric, M8	(M) Cap. blasting electric, M8	(A) Army Maintenance Center
(M) Change (C) 2.28, M200	(M) Cap. blasting electric, M200	(D) Development Reserve
(M) Cap. blasting non-toxic, M2	(M) Cap. blasting electric, M200	(H) Habitat Reserve
(M) Cap. blasting electric, M200	(M) Cap. blasting electric, M200	(M) MPC EVOC
